

 ***Who Do You Think You Are?***

Many people are on a journey to know who they are.
This is the story of one journey.

1. Initiation

 ***Wrong End of the Telescope***

Everything seems so far out of reach.

2. Liberation

 ***The Geographical Cure***

Where am I going to go that I'm not going to be there
when I arrive?

3. Discovery

 ***The Sea Whisperer***

She's the only one who knows what the waves are
saying with their soft refrain.

4. Reflection

 ***In Between***

When we dwell in the in-between we exist in silence to
learn and know wisdom.

5. Expression

 ***This Time***

My heart beats out a new song. I hear its call and I
must follow.

6. Creation

 ***The Artist: Ignis in Spiritum*** (Fire in the spirit)

Hope is never completely lost in the ashes of dreams.

7. Connection

 ***Snowflake in an Avalanche***

My voice as an individual is enhanced through being and
belonging in community.

Finale: Here in the Mystery

 ***Flying Away/Sweet Mystery***

We will never know where we are going on the mystic
flight that never ends. Ah, sweet mystery.
